# Privately Purchased Domestic & Support Services and Other Useful Information

Fife Forum is the umbrella organisation for Older People Action Groups in Fife; Advocacy for Older People in care & residential settings; and, Local Area Co-ordination for adults 18+ providing information, guidance & signposting.

#### **Guidance & Disclaimer**

This booklet contains general information only to help identify potential privately purchased domestic and/or support services. No organisation or individual listed is endorsed by or linked to Fife Forum.

When considering privately purchasing supports Fife Forum strongly advises you carry out your own relevant checks. This could include checking reviews, registrations and vetting procedures (for example: identifying if staff are disclosure or PVG checked – for information <a href="https://www.mygov.scot/organisations/disclosure-scotland">www.mygov.scot/organisations/disclosure-scotland</a>). Fife Forum would also recommend utilising Fife Trusted Traders as the only official Trading Standards vetted trader scheme in Fife (backed by Fife Council and supported by Police Scotland) <a href="https://www.trustedtrader.scot/Fife/">www.trustedtrader.scot/Fife/</a>.

The information contained in this booklet is provided by the individual services themselves. Fife Forum receives this information in good faith and cannot verify or recommend any privately purchased support or facilitate arrangements for this. For the most up-to-date information or pricing structures please contact the provider directly.

For wider community supports there are some provisions listed in this booklet and you can also view our 'Resource & Support List' on our website.
